1963 GALAXIE

63 Galaxies were available in 2 different kinds of hardtops...early models had as the biggest option the 406 ci V8 and more formal "Victoria" hardtop. On the NASCAR tracks, this roofline was not very aerodynamic, and Ford was getting clobbered by the 426 Max Wedge II Mopars, 421 Pontiacs, and Mystery Motor (427 ci based 409 style motor) Impalas. The body code for this style is "65" and we don't offer quarters for this body style and our parts that are specifically for "fastback" models won't fit this body. These models were

phased out when the fastback body style was introduced (as shown to the left). Ford's answer to the competition was to introduce the 427 V8, as well as a more fastback roofline which allowed Ford to be more competitive on the track. The body code for this type is "63". This is the body we made our parts for...so '63 owners be sure you have the "fastback" style body when ordering some of our parts or you're going to be disappointed when the parts don't fit! Mercury also had the same plethora of models that Galaxie did... plus they had a notched-in rear window called "Breezeway" where the rear glass retracted down like a station wagon. This body code was "65". Mid-year '63 Mercury introduced the "Marauder" hardtops with the fastback roofline...these are the "63" body code style...but Mercury kept selling the "Breezeway" style hardtops through '64 where Ford discontinued the old "65" body style hardtop.

1964 GALAXIE

A car bred in open competition and built for total performance as described by the marketing guys from Ford, the '64 Galaxie shared a lot of under-body components but the sheetmetal is quite different. Based on the '63 fastback roof sales, all '64 Galaxies were offered with the fastback styling other than the wagon. The '64 XL two door hardtop became the best seller of any XL produced in any year and with this in mind, you will find most of our parts coordinate with those models. The '64 Galaxie changed floor pans, fire wall, seat brackets and braces, trunk floor, and almost all of the outer body panels. We highlight our new panels in the Ford factory assembly drawings as pictured to the right. Ford offered a staggering 16 different body styles in '64. Wagon's, drop tops, four door hard tops, post sedan cars with 2 or 4 doors, and the two door fastback were available. Most models came with high performance options and make for a great restoration project. If you come across or have a highly sought after 427 car or a plain jane straight 6, you will be sure to turn some heads. We are continually expanding our product line and offering for these great Ford classics, so be sure to check our website often for the most up to date offerings.

QUALITY YOU CAN TRUST

Don't settle for the incorrect, knock-off parts for your Ford Galaxie. Get premium sheetmetal from the professionals at Auto Metal Direct! Our panels are made from the proper gauge steel and include all correct-as-original clips, tabs, flanges, bends and seams. Each time a prototype body panel comes off of new tools, we test fit it on a actual vehicle. The marked up prototype is then used to change and improve the tools, and a new prototype is produced. This procedure might be repeated multiple times, but once the final part is approved, you can be assured of a quality part.

GALAXIE

COMPLETE FLOOR SOLUTION

FIREWALLS

OE style firewall for the 1964 Ford Galaxie, 1964 Mercury Marauder & 1964 Mercury Monterey. Stamped from high quality OE gauge steel on our exclusive new tools. Each firewall features the correct shape, size, bends, holes, ribs and frame mounts, like original. EDP coated to help protect against rust and corrosion.

FLOOR PANS

OE style floor pan assembly for the 1964 Ford Galaxie & Mercury Marauder / Monterey. Correct for all hardtop & sedan models. This part is not for use on station wagon or convertible models. Floor pan assembly includes our full OE style floor pan, floor pan braces and inner rocker panels. Braces are welded in place. Inner rocker panels are shipped loose with the floor pan to allow for proper installation.

FIREWALL PATCH

When designing the Galaxie, Ford produced the firewall with the front part of the floor as part of the firewall. We saw the need to produce a patch for guys not replacing the firewall but still need that front 2" of the floor when restoring these cars (an area that is almost always rusted). That is where our Firewall patch came in. This patch is made to replace the toe-board in situations where the firewall is in good shape. So when you're looking at repairs, you will need either the Complete Floor assembly and the Firewall or the Complete Floor assembly and the Firewall patch.

The Eddy Bear Foundation, founded in 2019 as a 501(C)(3) non-profit organization, has a heartfelt beginning rooted in a desire to make a difference. It all started with a simple idea: to provide comfort to children facing difficult times. Since then, our mission has grown into a commitment to support these children and their families with resources and compassion. Our journey is fueled by the belief that every child deserves a reason to smile, and we're dedicated to bringing that joy through our teddy bear deliveries.

SilentDrivePRO SOUND DAMPENING

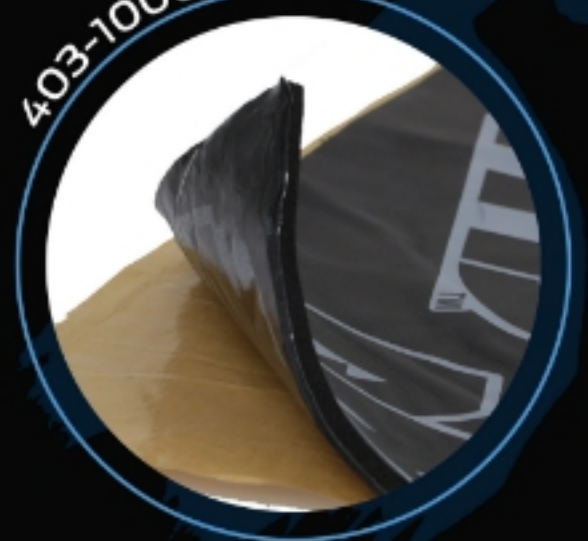

AMD's new SilentDrive Pro Mat Sound Deadener offers premium noise reduction with three different versions to suit various needs. Two of the variants feature a 2mm thickness, with one showcasing blue lettering and the other white lettering for aesthetic preferences. For those seeking enhanced sound insulation, a thicker 7mm option is available. Each box includes 10 sheets, covering a total of 43 square feet, making it an excellent solution for reducing vibrations and road noise in vehicles or other applications requiring soundproofing.

Our sales staff has a wealth of knowledge and first-hand experience and can assist you with any questions you may have. Our call center hours are 8:00 a.m. - 6:00 p.m. Monday - Friday, Eastern Standard. Our call center is closed on Saturday and Sunday and some U.S. Federal Holidays.

Customer Pick Up Orders

AMD offers a customer pick-up option at no additional fee. We encourage this option whenever possible to save you money on shipping your order. You can pick up your order from our retail store located at 3348 Gateway Centre Parkway, Gainesville, GA 30507. We HIGHLY recommend placing your order prior to arriving at our location to save you time. Feel free to call us toll-free at 833.404.4443 from anywhere in the U.S. or Canada. Our retail showroom hours are 8:00 a.m. - 5:00 p.m. Monday - Friday, Eastern Standard Time. Our retail showroom is closed on Saturday and Sunday and some U.S. Federal Holidays.

International Orders

For orders outside the United States or Canada, please utilize our website for international orders or call us by dialing the international access code then 1.770.967.0909.

PAYMENT METHODS

Credit / Debit Cards

We gladly accept Visa, Mastercard, Discover or American Express credit cards and Visa and Mastercard Debit Cards. We must be able to verify the shipping address on your card before shipment.

PayPal

We will accept Paypal for online orders that are shipped via FedEx Ground inside the continental U.S.

Check / Money Order / Other

We accept payments via money order, personal check, business check or cashier's check. We reserve the right to hold orders until payment clears. We cannot ship any order via C.O.D.

SHIPPING

Ground Shipments

AMD utilizes FedEx Ground for small parcel shipments. We do offer Express Ground (1, 2, or 3 day) for an additional fee. Please inform your salesperson or notate on your order if you would like to utilize a Express method. Delivery dates are expectations and are not guaranteed.

Oversize Box Shipments

Oversize package fees are assessed on a per piece basis depending on the shipping size of the product. Oversize fees are in addition to the flat rate ground shipping fee.

Truck Freight

Any item(s) too large to ship FedEx Ground will be shipped via truck freight. Please check autometaldirect.com for the most up-to-date shipping zones and freight charges under the Shipping & Returns tab at the top of the website.

Damages

ALL TRUCK FREIGHT SHIPMENTS MUST BE INSPECTED AT THE TIME OF DELIVERY! If you find any damages you must contact AMD as soon as possible. If your shipment contains damage, please note 'DAMAGED' with the freight carrier at time of delivery and call us immediately at 866.591.8309. AMD will work with you and the freight carrier to find the best solution.

Additional Boxing Fees

Due to the fragile nature of glass, we have gone the extra mile in packaging orders that contain individual glass pieces and glass kits. The following charges will be added to full glass kits, windshields and some back glass orders. These fees are to cover the cost of the protective packaging and will be added to the actual shipping fee:

Windshield / Back Glass	add \$35.00
Complete Glass Sets	add \$60.00

Some other items require more attention when packaging to ensure that you receive them in the best condition possible. These items will incur an additional boxing or crate fee. These fees are to cover the cost of the protective packaging and will be added to the actual shipping fee:

Bed Floor Crate	add \$200.00
Hood Safety Box	add \$45.00

GUARANTEE

Parts Guarantee

All Auto Metal Direct brand products are guaranteed to be free from defects in material and workmanship. We require that you test fit ALL parts before sanding, priming, painting or modifying them in any way. If we deem your part defective, our responsibility is to replace the part, issue credit, or refund the original purchase price. We are not responsible for any paint or labor expenses. The credit or refund amount will not exceed the defective part's original purchase price and may be subjected to being issued as in-store credit.

BACK ORDERS

Back Orders

Any items not available at the time the order is placed will be put on backorder. All backordered items that ship after the original shipment will be subject to additional shipping charges. Backorders will not be shipped without your prior authorization. Please let us know if you do not wish to receive backorders.

RETURNS

Returns

You may return any unused, undamaged, unmodified, and resellable part in its original packaging for exchange, credit or refund for up to 6 months after original purchase date. All orders, cancellations and returns are subject to a 15% restocking fee. ALL RETURNS MUST HAVE PRIOR AUTHORIZATION BEFORE THEY WILL BE ACCEPTED. All shipping costs associated with a return are your responsibility. If the return shipment is damaged in transit back to us, it may not be accepted.
